

“ One person dies of AIDS every 14 Seconds ”

3 Million
new cases each year
NO COMMUNITY IS IMMUNE ”

Help us in the fight against HIV/AIDS. Join us in working to exceed our goal of \$80,000 for 2012

Because of Rotary International, a polio-free world is within our grasp. Now Rotarians are mobilizing their efforts against the HIV/AIDS pandemic, both locally and internationally.

Why AIDS?

- ◆ Sheltered by taboos, myths and stigma, HIV/AIDS continues to spread
- ◆ 1.8 million people are dying of AIDS per year
- ◆ 34 million people living with HIV/AIDS worldwide
- ◆ 2.7 million new infections in 2010
- ◆ No community is immune - over 26,500 people living with HIV/AIDS in Ontario in 2008 and growing
- ◆ When Rotary talks, people listen
- ◆ When Rotary acts, lives are saved!

HIV/AIDS is a war on women & children

- ◆ Globally, women account for more than half of all HIV/AIDS infections
- ◆ Monogamous mothers and young girls often powerless to say “no” to unprotected sex
- ◆ Some 15 million children have lost one or both parents to the AIDS pandemic

Presented by District 7070

- ◆ D7070 RADAR (Rotary Action for the Development of AIDS Responses)

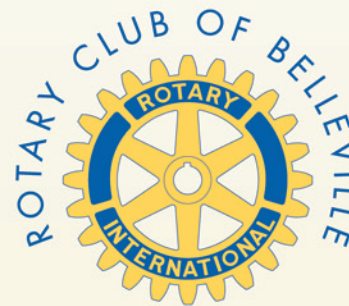

Some of the happy walkers

Get on board

- ◆ **Create a team**, join a team or sponsor someone
